WHO WE ARE

CORE is a day program that supports adults (18+) who have a developmental disability or dual diagnosis. Over 100 adults create a social, warm, and safe community at CORE.

CORE's mission is to engage individuals with developmental disabilities in lifelong learning activities that encourage self-determination and social inclusion.

The staff team at CORE is a multi-disciplinary group of dedicated individuals each with unique experience and skills.

Aligned in a common goal and vision, CORE staff are committed to engaging with and supporting participants to achieve the best of their personal abilities.

OUR PROGRAM

CORE focuses on relationship building, social development, life skills, fostering independence, and maintaining emotional, mental, and physical wellness.

Participants determine their own program plan with the support of staff, and participate in various groups, outings, and individualized activities. CORE supports participants to learn and practice hands-on life skills such as:

- community safety
- cooking
- social boundaries
- cleaning
- money skills
- physical fitness
- recreation and leisure

Many of the activities at CORE are adapted to meet the needs of a senior population.

Hours of service:

Mon, Wed, Thurs
8:30—3:00

Tues, Fri
